STATEMENT OF SUBSTANCE OF INTERVIEWS

COMMISSIONER FOR PATENTS  
ALEXANDRIA, VIRGINIA 22313

SIR:

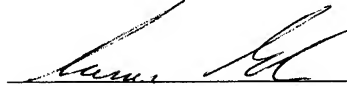

The following is a statement of substance of telephone discussions held on March 27, 2009 and April 2, 2009.

On March 27, 2009, Examiner Chu and Applicant's representative, Mr. Sameer Gokhale, discussed a proposed Examiner's Amendment to Claims 1, 17, and 26 to place the application in condition for immediate allowance. The examiner proposed to delete the words "configured to be" on line 9 of Claim 1, such that the claim would recite "this transfer element being assembled on a surface of another circuit." She proposed a similar amendment for Claims 17 and 26.

On April 2, 2009, Mr. Gokhale contacted Examiner Chu to inform her that she was authorized to enter the Examiner's Amendment.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
